

## **VOLUNTEER ORIENTATION**

Volunteer Orientation is an important and required first step in becoming a CPAS Volunteer. We will review the basics of animal care, shelter policies, tour the facility and answer any questions you may have. Orientations are generally once a month from 9am – 12 noon on a Saturday, at the Calcasieu Parish Animal Services & Adoption Center facility.

Once we receive your application, we will contact you to reserve your space. There is a place on the application to put the date you can attend; dates are available by either calling/coming by the shelter or checking our Facebook events page at [www.facebook.com/calcasieuparishanimalservices](http://www.facebook.com/calcasieuparishanimalservices). We can't wait to work with you!

### Location:

Calcasieu Parish Animal Services & Adoption Facility

5500-A Swift Plant Rd.

Lake Charles, LA 70615

(Off Broad St. Just past the Sheriff's Dept)
