

# Calcasieu Parish Human Services Department and Volunteers of America Shelter Plus Care Program

The purpose of this program is designed to provide permanent housing in connection with supportive services to homeless people with disabilities.

If you are ***homeless with disabilities***, (primarily those with serious mental illness, chronic problems with alcohol and/or drugs, and Acquired Immunodeficiency Syndrome (AIDS) or related diseases) you may be eligible to apply.

*HUD defines "homeless" as "a person sleeping in a place not meant for human habitation" (e.g. living on the streets for example) OR "living in a homeless emergency shelter."*
